Notes

- Each letter of the Dinak'i orthography has been given its own key.
- Glottalized consonants can be typed two ways
 - Using the **Shift** key: **Shift + r** produces **ts'**
 - Using the **Apostrophe** key: **r + '** produces **ts'**
- Capital letters are typed by holding down the **Right-Alt** or **Option key**. The capital **Ch** is typed **Right-Alt + c** (Windows) **Option+c** (Mac).
